### High Energy with Hi-5

Adults get energized with a morning cup of coffee, but preschoolers start their mornings off right with *Hi-5*! This high-energy program has kids moving and grooving to creative songs and upbeat dances, and the Australian cast has been featured on *Live with Regis and Kelly!* and weekday mornings on Discovery Kids and TLC. On June 26, kids can bring *Hi-5* into their homes with the group's latest DVD, *Hi-5 Making Music*. The new 50-minute DVD showcases never-before-seen footage and awesome special features. The DVD also comes with a *Hi-5* carrying case complete with colorful stickers for young fans. Visit [www.hi-5us.com](http://www.hi-5us.com) to learn where you can pick up your copy.
